We will be having a largely social meeting again this year in honour of the season. The ladies of the Legion are again serving us a turkey dinner following the meeting. The cost is a very reasonable \$ 10.00 per person. (The cost is subsidized by the club). In order to accommodate the ladies we will start off our meeting with the Silent Auction. It will conclude at 10:30. Let's try to make it a good one! Look around and see what you can bring to sell! Remember, our auction is only as good as the items in it. We will be asking you to pack up your treasures at that time so that the tables are free for lunch. While the tables are being cleared we'll have a little break. As in previous years, we're asking you to bring some Christmas goodies to share at coffee break.

After the tables have all been cleared, we will have the meeting portion. There are some surprises in store. The display will be "Clockwork Toys", since it is Christmas, after all! There will be special prizes for display items, so be sure to bring one. Door open at 9:00 as usual. Hope we see you there!

### Auction of Carl Hass Estate

The next auction for Carl Hass will be Saturday, December 7th at Jacobs Auctions in Mitchell. Viewing will start @ 8:30 with the auction @ 9:30. I have been told that the offerings will be much like the last auction.

## October Meeting

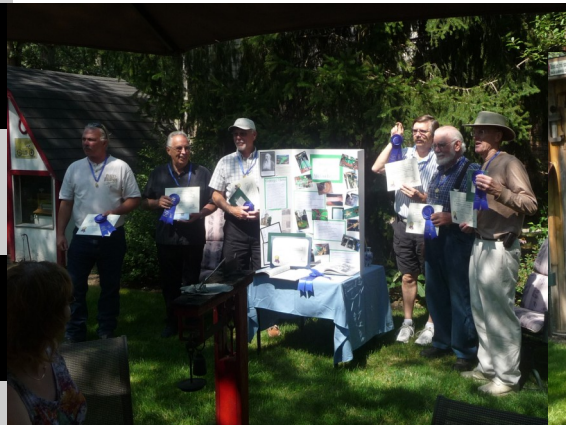

It was great to see every one at the October Meeting. Andy Dervan spoke on Michigan Clocks to about 65 members and guests. As always, the Silent Auction was well represented and business was brisk. Our next meeting is our Christmas Meeting on December 1. Remember to bring your Silent Auction items, your display items and some goodies to share. There will be a turkey dinner after the meeting.

**Summer Executive Meeting.**

*We have a great time on the Executive and it is not as much work as you might think! Please, we REALLY need some new volunteers to step up as Directors for the next year!!!!*

The Chapter Executive presented replica NAWCC National Awards to the team that worked on the Hess Tower Clock in Zurich. A great project. We are all proud of their work and of their first place award. If you would like to be a winner at the 2014 National in Milwaukie, now is the time to pick a project and get working! You can check the NAWCC web site for categories and information.
