We're Moving!

As of our next meeting, June 4, our new meeting place will be the Lambeth Legion on Kilbourne Road. (map attached). Those members who attended the 30th Anniversary party will be familiar with this hall. The advantages are improved parking and no stairs! We have enjoyed our association with the Byron Legion and wish them well. Unfortunately, we have outgrown their hall and outgrown our former picnic spot in Brownsville. The executive is on the lookout for a new 'picnic' spot for next year. For this year, we will meet at the new location for our annual live auction and pot-luck lunch.

Meeting on June 4:

Remember that this will be our Annual Live Auction. Items entered into the auction are entered without reserve and it is the responsibility of the owner to bid to protect their items. Since our live auction at the Anniversary went so well, we will be using the same check in and check-out procedure.

Please use the attached auction tags to fill out descriptions of your items ahead of time. This will make everything go much more smoothly.

Our guest speaker will be Stan Zylski who will be showing some of the clock tools that he has created. Members who have also made their own clock tools are encouraged to bring them in for display. That will be the only display for this meeting. As in previous years, we will be having a pot-luck lunch following the auction.

Please note the new location for this meeting!
