## Fall Clock Repair Workshops

The 2011 Clock Workshops were a great success.

Many thanks to Charlie MaGee for his organisational efforts, Gerry Koolen for Carrying all of his tools and coordinating expert mentors. Thanks too, to those who came out to help!

## In Memorium

It is with deep sadness that we announce the passing of two long-time members this month. We extend sympathy from the entire club to the Tuff and Hill families. Ken and Frank will be greatly missed. Donations to the Canadian Clock Museum have been made in their memory on behalf of NAWCC Chapter 92.

### KEN TUFF

Ken Tuff passed away on November 11, 2011, at the age of 78. He was a member of the NAWCC for over 40 years. He was a former member of the Board of Directors.

Ken could often be found at local auctions as he was a great collector of many things. Ken is survived by his wife of 51 years, Barb, his three children and several grandchildren.

### FRANK HILL

Frank was also a long-time member of NAWCC and our club. He passed away on November 23, 2011, at the age of 75. He was a former member of the Board of Directors and was always ready with a quip! Frank took

part in all of the Clock Workshops we put on and was a valuable mentor. Frank was predeceased by his wife in 2008. He is survived by children Tom, Freda and Dave and several grandchildren and great grandchildren.
