April Meeting

The next meeting is April 1. (No, this is not an April Fool's Joke!) At least it is an improvement over our past practice to meet the Sunday of the time change! Doors will open at 9:00 p.m. as usual. The program is unknown to me at this time (I've been away) so it will be a surprise to all of us! The highlight of the meeting will be the judging of the Chapter 92 Restoration Contest. The clocks and watches entered into the contest will be the display. You will have a chance to vote for your choice as "People's Choice" Award winner.

There will be a Silent Auction as always—remember that the Silent Auction is only as good as you make it!

Hope we see you there!
