

LONDON TIMES November 2022

BUCKINGHAM PALACE

Hello Chapter 92

Hope everyone is keeping well and that you have all your outdoor chores done for winter. Thankfully we don't live in Buffalo!

We were hoping to have had a meeting this past weekend, but unfortunately, we didn't have enough people reply that they were ready to return to in person meetings. We'll give it another whirl in the early spring. I'm looking forward to seeing you folks and hearing about your finds over the last couple of years. We picked up a couple of really old time pieces recently and I'm trying to find room in the house for them. I'm sure Rose will start talking to me again any day now. LOL

You're probably wondering about why we would have the Buckingham Palace in our newsletter? Well, it seems that Don Purchase, Ottawa Chapter President, has some pull across the pond. He has managed to put together a live Zoom Meeting Sunday with the Senior Horological Conservator of The Royal Collection Trust of Buckingham Palace.

Hope you can check it out.
