April Meeting Highlights

We had a large turnout at our Apr 6 Chapter meeting, with 55 members & guests in attendance. Allan Symons, Curator of the Canadian Clock Museum in Deep River, ON, gave an excellent presentation, and opened many eyes to the collectability of more contemporary clocks, with his display of Snider Clocks. As well as providing us good reason for a trip to Northern Ontario, Allan has certainly given us something else to keep our eyes open for, this garage sale season. Thank you, Allan!

Next Meeting – June 1 – Big Agenda!!

Pot Luck - don't forget we're relying on our members & guests to feed the multitudes, so bring along your contributions to our pot luck picnic lunch.

Annual live auction - Mike Kelso, a new Chapter #92 member, and a registered, professional auctioneer will volunteer his services. We have a wide variety of quality items already consigned, but there many still be space for your item(s), so contact Cathy Koolen immediately!

Constitutional changes – a revised Chapter #92 constitution will be presented to the general membership for approval. Proposed changes include abbreviated one year terms for elected Club officials, and moving our annual general meeting (elections) to June from December, allowing newly elected members to acclimatize before kicking off the new year in the fall. It is proposed that the current Executive Committee will continue to hold office through until June, 2009. Visit our web site to download a copy of our new proposed constitution, or email Bruce. Hard copies will be available at the door.

Pre-registration for 2008/2009 – The Executive has approved a \$5.00 reduction from the standard membership dues for all those who wish to prepay their fall memberships. Bring along your checkbook, or \$25.00 in extra cash to the June 1 meeting, and save!

April Meeting

General Notes

Charles Magee – a hearty welcome to Charles Magee, who has joined our Executive as its newest Director. Charles has been a willing volunteer at many of our functions in the past, and knows what great fun we have at our Executive meetings. Consider taking a cue from Charles, and attending one of our Executive Meetings.

Invitational Executive Meeting – Sunday, June 22, we will have our final Executive meeting of the year, at Bruce & Dawn's farm. We would like to invite any member who wishes to come see what a good time we have in keeping the wheels of Chapter #92 turning. Please let us know if you would like to join us. We will start about Noon, and begin with a BBQ & lawn bowling. We will supply the meat. Please BYOB & a salad or dessert. We'll get the business portion of the meeting going by 3 pm, so we can conclude by 5 o'clock.

Fall Clock Repair Workshop – we're calling it a workshop now, as that is more in keeping with the relaxed instructional methods employed by Eldon Grant. We will be changing venues again, as Fanshawe College has upped the ante to \$225, and priced themselves out of the picture. Our new location (not yet confirmed) will likely be the Mount Brydges Legion. We will keep the cost at \$150, and encourage everyone to register now, so we can ensure a minimum of 10 participants. Please see Bruce or Dawn McLean, or Jerry Rozek.

Our Chapter #92 Web site - have you checked it out lately? We're doing our best to keep it fresh, using this useful tool to keep our members informed, so make sure we're at the top of your list of bookmarks!
