Meeting on April 3

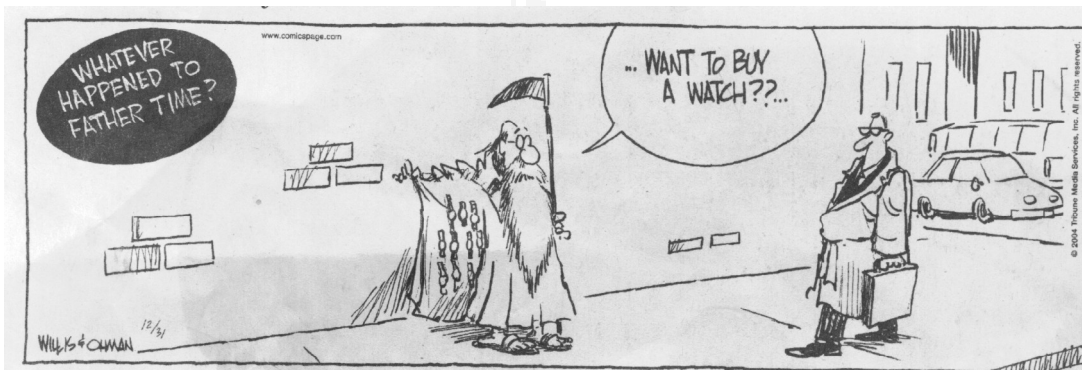

Our next regular meeting will be April 3. Doors open at 9:00 as usual. The theme letter for the day will be the letter "P". Once again, everyone should be able to contribute a clock for the display, since every member has at least one 'pretty' clock! The program will consist of a workshop by Joe Kuechle, National Director, on rebushing. There will also be a Brunch at the end of this meeting. Cost for the Brunch will be \$6.00 if you signed up ahead and \$ 7.00 at the door.

There will be a Silent Auction as usual. Hope we see you there!

Change in Policy

The membership voted at the last meeting to make a minor change in our Mart procedures and our fee structure. In order to be fair to all of our dues paying members, we will now be charging a small 'table fee' for Mart sales to members of NAWCC who are not members of Chapter 92, but who wish to sell items at our Silent Auction or Mart.

This fee helps to pay for the cost of our meeting expenses. Guests continue to be welcome at all of our meetings. There is no charge to attend a meeting. NAWCC guests who wish to purchase items may continue to do so. Guests who are not members of NAWCC are still not allowed to buy and sell until they become members. That aspect of our policy has not changed. These policies are in line with NAWCC policies for conducting marts.

Commissioner's Road

Annual Dues \$30.00

April 3, 2005

June 5, 2005.

Reminder: Web Site Up and Running

<http://www.execulink.com/~ckoolen/>

We have slide shows of past meetings, recent newsletters and a map to the Legion on the site. Now when you meet someone who might be interested in joining the club, you can refer them to the web site for all the information they need! Our site is now linked to the NAWCC web site as well. If we are ever forced to cancel a meeting because of bad weather, a notice will be posted on the web no later than 7:30 a.m.

February Meeting

Our February Meeting was well-attended and the weather cooperated, which was lucky given the snowy winter we have had! We welcomed some new members and enjoyed an excellent presentation by Scott Clark, owner of Clark's Antique Hardware. Scott talked about some of the products that are available to help us both refinish clock cases and to preserve and renew existing finishes. After a brisk Mart, the meeting adjourned at noon.

30th Anniversary

November will mark the 30th Anniversary of our organization. We would like to plan a special event to mark the occasion. We're actively seeking members (or spouses) who would be willing to serve on a committee to organize this celebration. Please let us know if you are willing to help out on this committee!
