Doors will open at 9 a.m. as usual. Hopefully the weather will cooperate and we'll have a good turn-out. Cathy will be presenting a talk on "Protecting and Disposing of a Clock Collection". This talk was originally presented by Doug Cowan at the Southern Ohio Regional. Doug has graciously given permission to use his material. The display will be "Gift Clocks". Bring in a clock that you received as a gift (this Christmas or any other time) and tell us the story. There will be our usual Silent Auction and the Executive is reminded that there will be a luncheon meeting following the Chapter Meeting.

## December Meeting

What a great meeting! Thanks to everyone who braved "snowmageddon" to attend. How great it was to look back over the last 10 years and to see how much our club has grown and prospered over that time. We are looking forward to our 40th Anniversary. What a party THAT will be!

### The Delivery

A very nervous expectant father who had spent quite some time waiting for the baby to arrive, was finally sent to a bar by his Father-in-law to have a drink and calm his nerves. The young man agrees, but tells his Father-in-law, "When my son comes, don't call up and say that I have become a father of a boy, otherwise I'll have to pay for a lot of drinks. Just send the message "The clock has arrived." While the new father is at the bar, the baby does arrive - but it is a girl. His Father-in-law thinks "If I tell him that the clock has not arrived, he'll misunderstand and think something has happened to the baby and come rushing over." So he sends the message - "The clock has arrived, but the pendulum is missing".

## Up-Coming Events!!

### JUNE AUCTION

*It's time to start thinking about our June Auction. This is a great way to up-grade your collection. There is still no cost to sell an item and no buyers premium or tax when you buy. Please start thinking now about putting something into this auction. We need you to help by offering just one item for sale. If every member only consigned a single item, the auction would be full!! If you wish an item to be included in our advertising, you must send me a picture no later than February 28th. You can also help by inviting any non-members you know of who might like to purchase something. (And who just might have so much fun with this great group that they decide to join us). We need buyers and sellers to make a good auction!*

*These clocks have already been consigned to the 2011 Live Auction. These will be sold without reserve.*

*Take a look at home and see if you have a clock you can part with. Get your photos in by the end of February so that we can advertise your clock.*

*Let's make this the best auction ever!*
