APRIL MEETING

Our April Meeting will be a busy one! As well as our usual Silent Auction, we will be judging the 2nd Annual Restoration Contest. So, if you have been working on a project, don't forget to bring it in! The completed projects will comprise our display.

Our programme is a presentation by Gary Fox (who is President of the Ottawa Chapter). Gary has spent a number of years researching the Canadian School of Horology that existed in Toronto at the turn of the last Century. Gary has written a great book about the school, and he will be bringing copies with him for sale.

Doors open at 9:00 as usual. Members of the Executive are reminded that there will be a brief meeting following the regular meeting.

February Meeting

Our February Meeting was well-attended and even the weather managed to cooperate! The Silent Auction was busy as usual. The presentation consisted of a video from National about the monumental Engel Clock. The video was very interesting as it showed not only the various functions and animations of the clock, but also showed some of the restoration process. This incredible clock, owned by our organization is a highlight of our museum in Columbia. If you get a chance to visit, be sure to check when they demonstrate the clock. It is well worth waiting for!

IT LOWERS MY BLOOD PRESSURE.
